Voice from Student Cultural Head

DME is such a wonderful institution for the overall development of the students. Besides academic development, there are many aspects such as self-confidence, discipline, communication skills, personality development, and of course leadership qualities are being focused upon. DMEians are learning and enhancing their capabilities to excellence in the field of education as well as extracurricular activities.

It was an honor for me to serve as Student Cultural Head, DME under the guidance of my mentor & guide Mrs. Navjot Suri Singhal, who is absolutely understanding and an idol personality. She has always been very supportive and kind throughout my journey at DME. I have learned so many things from her which I believe will be one of the reasons for my future success.

I have thoroughly enjoyed my journey with the learning experience and would like my fellow mates to experience the same. The legacy must go on and with great pleasure, I request the applicants to send their applications for the post of Student Cultural Head, DME. The applications for the same are open from 30th March – 15 April 2021.
