FROM EDITOR'S DESK

"Hope smiles from the threshold of the year to come,
whispering, 'it will be happier'..."
--*Alfred Tennyson*

Even with the chill in weather the semester started with warmth and fervor. The January month is named after the Roman God Janus who is always shown having two heads, one looking back to the last year and other forward to the New Year. We also learn from our past experiences and use this learning for betterment of future. Our students are no exception, with every passing year they are learning new lessons of life for a bright future; and are growing and developing continuously.

"For last year's words belong to last year's language, and next year's words await another voice. And to make an end is to make a beginning."
-- T.S. Eliot

The department organised a national conference on "Emerging Trends in Management Practices". It was a great success and saw enthusiastic participation from all departments. The faculty and students witnessed some riveting and captivating speeches and experienced many new things. Cultural fest, Anugoonj (Prelims), was another opportunity for the students to exhibit their literary and cultural skills. The enthusiasm was exhilarating and the excitement was immeasurable.

Every year, with its advent, brings new expectations and this year too has many surprises. Our department is all set to publish its first journal. Our faculty members have shown their research aptitude and writing skills in making this publication possible.

With the new beginning, we all should promise ourselves to serve the society, the mankind and the nation. Our country needs the commitment and dedication from its citizens and our young people owe a great responsibility in this regard. It is DME's message for our young brigade to emerge as strength for our nation by acquiring good education and values. Come forward, let's all take the pledge to serve our country.

"If everyone is moving forward together, then success takes care of itself." --*Henry Ford*.

Anugoonj 2017

The year 2017 kick started for Delhi Metropolitan Education as it got the momentous opportunity to host Anugoonj 2017 prelims zone 2, which saw the participation from 30 colleges affiliated to GGSIP University.

Day 1

They say that “life is about learning to dance in the rain”. Dance makes people come together while their hearts sway with the rhythm of music. College fest is the medium through which all dance enthusiasts showcase their talents and reap the fruits of their hard work of months. And talking about dance events, Anugoonj 2017 prelims had a lot to offer in this category. The event started with folk dance followed by street dance, and footloose. Certainly, DME hired finest stage designers so that students from various colleges can give their best performance. The crowd roared and cheered the various participatory colleges all of which gave enthusiastic performances.

Apart from dance, later in the day the audience witnessed the participants being high on the energy of music with events like classical vocal solo, light vocal solo and western vocal solo accompanied by group song (western).

The day was also filled with some really fine work of art by the participant colleges. Some of the events that were held under the fine arts category are Rangoli making, on the spot painting, collage making, cartooning and clay modelling. In the dramatic category, mono acting turned out to be the most entertaining competition. Participants were judged on the basis of costume, expression, voice modulation and the total impact. They looked so confident and gave their best to charm the judges. At the end of the function the result of various competitions was declared.

Day 2

The participants and audience for the second day of the prelims were in no less zeal. The day started with choreography competition followed by some great performances by the bands in the battle of bands event.

The day also witnessed some exceptional literary events which gave the participants the platform for connecting their wits and imagination with their emotions and passion. Events under the literary category were Quiz, Debate and creative writing competition. Classical and western flavours were also revived with some power packed classical dance and Western group song performances. The audience also experienced some remarkable performances in the Nach baliye event.

The glamour quotient was also high on the main stage with some very vibrant participants in the Mr. and Ms. Anugoonj event. The participants walked the ramp with grace and style. The talent round was filed with singing, dancing, tattoo-making, marshal arts and many more.

Day 3

The third and the last day of Anugoonj 2017 prelims started with some memorable street play and one act performances highlighting the Kashmir issue, women empowerment and many other social issues.

Under the literary events category, Just-A-Minute competition saw some interesting topics and speakers. It is an impromptu contest where participants were given a chit with their topic on the spot and they had to speak on the same for a minute. The audiences also witnessed some beautiful poetry by the participatory colleges in the poetry recitation event.

At the end of the event, all the participants were eagerly waiting for the results. When the winner's names were declared, everyone was in jubilant mood; the main stage started reverberating with joyous shouts and nonstop clapping. The event was successfully conducted under the supervision of University Observer. Warm hospitality was also given to the external faculties and participants.

With this the three-day long event came to an end leaving behind all the participants and the audience in excitement for the finale of **Anugoonj 2017**.
