*"Culture is the arts elevated to a set of beliefs"* and We, the cultural cell of DME believe in keeping the art forms alive in each student.

The cultural Cell of DME Serves as a stage for students to showcase their talents and communicate with everyone with the help of their respective art. I, Karan Sikaria, Student Cultural head at DME cultural cell, president of "Fitoor" DME dance society and secretary of "Style it" DME fashion society, feel immense pleasure to become a part of DME Cultural Cell . As happy as this new opportunity makes me, I also have the realisation that it comes with alot of responsibility and I believe that under the guidance of Mrs. Navjot Suri ma'am (cultural head), DME cultural cell and with the help and cooperation of my beloved team and the respective society heads it will be a smooth sailing in the ocean. I hope that I will be able to add my contribution to make every event a great success and more than that I will be able to become a bridge to fulfill the gap between the students and the teachers for the harmony of this college.
