## Women Empowerment Cell (2023-24)

We are pleased to introduce the dedicated members of our Women Empowerment Cell (WEC) who are here to support and assist you in times of need. The Women Empowerment Cell has been established to create a safe and supportive environment for all students, with a particular focus on the well-being and empowerment of female students. We believe that fostering an environment of trust and security is essential for your academic and personal growth.

The members of the Women Empowerment Cell are committed to addressing any concerns or emergencies that you may encounter during your time at Delhi Metropolitan Education.

Here are the members of the Women Empowerment Cell:
