From the desk of Director General

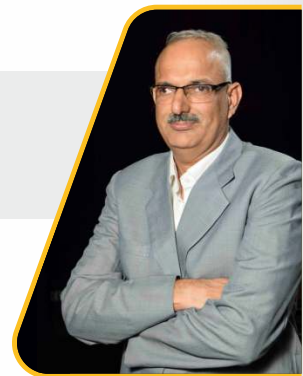

Hon'ble Mr. Justice Bhanwar Singh
Former High Court Judge
Director General
Delhi Metropolitan Education

Delhi Metropolitan Education is dedicated to excellence in teaching, research, scholarship, creative work and service. The institution also organises lectures, seminars, symposia and conferences, to promote knowledge and make education an efficient instrument of social development. The personal attention of our faculty and staff is to engage our students in a learning-oriented environment and offer opportunities to prepare for the challenges of living in the community.

From the desk of Director

Prof. (Dr) Ravikant Swami
Director
Delhi Metropolitan Education

The present day job scenario is ever evolving and the student needs to prepare themselves with the right set of Knowledge, Skills & Attitude. For eg Government sector jobs have reduced and are being replaced by the Private sector. Secondly, India's Economy has progressed from "Manufacturing-Based" to "Service-Based" with majority of the Indian GDP being contributed by latter. Thirdly, the job market is integrating itself with the global scenario in terms of competencies. Thus, Delhi Metropolitan Education provides education in the fields of Law, Journalism and Management through a model which helps navigate the students in a manner that placement is a natural outcome when the student completes the programme.

From the desk of Additional Director

Prof. (Dr) Rashmi K Nagpal
Additional Director
Delhi Metropolitan Education

At DME, we provide a comprehensive model of education which includes Teaching, Mentoring, Co-Curricular and Extra Curricular activities. This is corroborated in the placements of our Law, Media and Management Students. The overall exposure provided to our students makes them good advocates, managers and media professionals. Our efforts have been fruitified with a proven track record of being graded "A/A+" for the last 7 consecutive years by the University & Govt of NCT of Delhi.

TEACHING & LEARNING

DME is moving in the direction of going paperless, adding transparency and providing ease of access to the students. Digii Campus has significantly supplemented and resulted in sustained learning during the COVID-19 lockdown in India. DME devised Multimedia e-learning modules for all students and also incorporated ePSDA submission and presentations through Digii Campus

Numerous events are organised for the students including seminars, webinar, conferences and special lectures. In addition students are also

provided well-rounded general education with exposure to the traditional liberal arts' fields of study, in order to develop their abilities to communicate, both formal and non-formal, to think critically and creatively, and to access, analyze, synthesize, and evaluate information.

Several outdoor learning activities like photo-walk, video walk, press visits etc and participation in exhibitions, fairs, seminars and conferences helps in all-round development of the students.

ACADEMIC INTEGRITY AT DME

DME is committed to providing students with an honest and moral academic culture, to inculcate in them the skills of producing original work and valuing research done by others. With the introduction and mandatory use of Turnitin software at the campus, academic integrity among students is encouraged and honed. It aims at comprehensively solving issues of plagiarism in academic writing and protecting the institution's reputation. At DME, in writing PSDAs, projects, internship reports and dissertations, students are required to submit similarity reports with set parameters and prescribed referencing styles, to ensure originality in written work.

DME Law School

DME Law School **5 YEAR B.A. LL.B (Hons.) & BBA. LLB (Hons.)** as well as **1 year LL.M** in Corporate Law and Alternative Dispute Resolution courses are professional degree courses that equip students with knowledge and skill of every branch of law, which makes them articulate, accurate and meticulous in plaint-drafting and sharp in court-arguments. The courses have been selected and structured to meet their aspirations of practising in the courts and the corporate world. The courses have been designed in such a fashion that the students get imbibed with the social & moral values, to be a good citizen first and a law practitioner afterwards.

The teaching methods adopted by DME are such as to promote multi-disciplinary inquiry and practical appreciation of problems. Formal classroom lectures and discussions, the teaching methodology comprises the practical training of case studies, Moot Courts and field project works. With an excellent faculty-student ratio, DME provides an exciting opportunity for the students to interact with their teachers who are always accessible on demand for interactive sessions.

Prof. (Dr) Rashmi K Nagpal

INTERNSHIP & PLACEMENT

Placement can fall into a variety of names including 'Job', 'Campus Placement', 'off campus Placement', 'Placement Semester', 'Semester in Industry', and probably a few more having the same meaning.

DMEs' objective of campus placements is to identify talented and qualified professionals before they complete their education. It provides employment opportunities to students who are pursuing or in the final stage of completing their courses. Research shows that employers recruit graduates with the right set of Knowledge, Skills & Attitude.

Campus drives are conducted at the college / at the corporate premises / a common place to provide opportunities to students pursuing or in the stage of completing the course. During a campus drive, the corporate select

students depending on their performance in written tests, Group Discussions & Personal Interviews.

Advantages of "Campus Recruitment Drives" for the students include Jobs at their doorstep along with Saving in terms of "Search Costs", "Application Cost" and "Travel cost". On the other hand, advantages for the recruiters include getting a student pool offering a wide choice at a single point, savings in terms of "Advertisement Cost" and dealing with one college rather than large number of students. For the college, Campus Recruitment Drives help building the identity & brand, which in turn, improves the quality of input i.e. the quality of students seeking admission in the college.
